Nothing connects us to a country more than its language. Speaking German can help you strengthen that connection while enhancing travel, education and business horizons. [Established in 1978](#), the German School of Connecticut (GSC) – the only professional German Saturday School in CT – provides a high-quality German education program for over 350 children and adults. At GSC, students at all levels learn German language.

As of July 1, 2008, Connecticut students studying World languages in community schools such as the German School of Connecticut (GSC) are eligible to receive high school foreign language credit for their studies. This is a real benefit to the students, who put in many hours of study to master reading, speaking and writing skills, as well as cultural information. Public Act No. 08-138.

These exams, which are a pre-requisite to university matriculation in Germany, test the equivalency of ten and twelve years of German language study. The German School of Connecticut receives support from the German government, as well as local businesses and donors. In 2009 the school became one of the 66 US Partner Schools with Germany. The school has a German-language library.
