

# IntelliBoard Excited to Add New Team Member for IntelliCart Product Management

*IntelliBoard expands team to support IntelliCart enrollment and payment plugin for the Moodle LMS*

MONROE, CT, USA, August 13, 2018 /EINPresswire.com/ -- IntelliBoard, the premier reporting and analytics plugin and Premium Integrator for the Moodle LMS, has recently expanded their team to support the growing demand for their IntelliCart product. IntelliCart is a comprehensive sales and enrollment plugin for the Moodle LMS, complete with multiple reporting tools.

Jaime Ade will be the new Product Manager for IntelliCart. Ms. Ade's responsibilities will be comprehensive to meet the goals established for IntelliCart, providing the support, marketing, and roadmap involvement to grow IntelliCart worldwide.

“

We are so fortunate to have Jaime. As a consummate professional, Jaime brings a wealth of knowledge and experience about the online world, collaborative training and business development.”

*Tonya Riney, VP of Client Services, IntelliBoard*

Ms. Ade has extensive learning management system experience, including Sales Management for Remote-Learner, Business Development Manager at Omniplex, Manager of International Learning and Development for Gamelearn, and Manager of Online Innovation and Development for Yellow Edge -Australia. Ms. Ade's broad background in Sales, Business Development and Training serves as an incredible foundation for understanding the goals and challenges of existing and future IntelliCart clients. She has studied Distance and Continuing Education within the DCE program at Harvard and served as a virtual classroom trainer for the distance programs and hybrid courses.

Tonya Riney, VP of Client Services for IntelliBoard stated, "We could not be more fortunate to have Jaime on the IntelliBoard/IntelliCart team. As a consummate professional, Jaime brings a wealth of knowledge and experience about the online world, collaborative training and business development."

## About IntelliCart

A complete eCommerce and reporting solution, IntelliCart resides within the Moodle™ LMS, with robust dashboards and reporting tools for customers, sales, products, coupons and waitlists - all in one location. Built as a "local plugin" for the Moodle™ LMS, IntelliCart provides automated

student enrollment upon successful online payment and/or registration. IntelliCart comes with a suite of built-in reporting tools, all powered by IntelliBoard, the leading reporting and analytics platform for Moodle.

#### About IntelliBoard

IntelliBoard.net offers analytic and reporting services to education communities and institutions who use the Moodle™ LMS. IntelliBoard extracts the statistical data collected in Moodle™ and presents this rich data on a single dashboard in the form of easy-to-read, aesthetic, and printable charts, graphs, and formatted reports. We strive to be the premier analytics dashboard for Moodle™ LMS users. Feel the strength of empowered learning with our purposefully built analytics for education and training. Our mantra: provide the best instantly-available, most-simplified point-and-click access to your Moodle™ LMS data to inform your educational business decisions.
