“Tackling HIPAA Compliance without outside help can be complicated and seem overwhelming. Our partnership with Abyde provides Members a way to address the necessity of being HIPAA compliant in an efficient and effective manner,” says PECAA Member Business Advisor and Billing & Coding Expert, Teri Thurston. “Abyde alleviates the confusion and strain associated with compliance, enabling Members to focus on their true top priorities – their patients and their practice.”

The partnership will allow PECAA members exclusive access to Abyde's educational HIPAA webinars as well as

exclusive discounts for Abyde's best-in-class HIPAA solution.

“We are elated PECAA leadership has chosen Abyde to be their trusted HIPAA resource,” said Matt DiBlasi, President of Abyde. “This is a responsibility we take very seriously. We are ecstatic for the opportunity to work closely with more of PECAA's valued members going forward.”

Launched in January of 2017, Abyde is a revolutionary, cloud-based software solution that enables eye care professionals to easily attain and sustain internal HIPAA compliance programs by walking them through the Risk Analysis, ongoing compliance, policy, procedure, and HIPAA training requirements. Abyde's automated Risk Analysis also meets Meaningful Use, MACRA, and MIPS Protecting Electronic Health Information core measures.
