Onai Malik Welcomes You to the Grand Opening of Onai Here 2 Slay

About Onai Malik:

Pakistani native Onaza Malik got her start threading brows at just 17 years old. In 2009, Onaza began working as a threader in salons, and became fascinated with the art of lash extensions when threading in 2013 at a Lash Salon in the Bay Area. Two years ago, Onaza began to really perfect her skill in both brows AND lash extensions by working house calls, which was a hit! Now offering brow tinting, Onaza loves the idea of her clients waking up in the morning to their significant other with flawless, yet natural look! Brow tinting, threading, and lash extensions are all great temporary solutions Onaza has picked up rather quickly. She also now has expertise in a semi- permanent solution: Brow Microblading! Onaza is Licensed/Certified in Brow Microblading. Onai (Pronounced O-NAY, high school nickname!) adores the self-made, high-maintenance woman, and pampering her and is exactly why she named her business Onaihere2slay!!! Book an appointment or send in an inquiry! I can't wait to slay
