

Methodist Hospital of Southern California Named 100 SafeCare hospitals® for the Fourth Consecutive Year

Recognized for low infections, low readmissions, low complications, high patient satisfaction, high value by The SafeCare Group®

LEXINGTON, KENTUCKY, USA, July 30, 2018 /EINPresswire.com/ -- For the fourth consecutive year [Methodist Hospital of Southern California](#) was recognized a [100 SafeCare Hospitals®](#) by [The SafeCare Group®](#) for low infections, low readmissions, low complications, high patient satisfaction, and high value.

100 SafeCare Hospitals® represent the nation's top performing hospitals in evidence-based metrics of Medical and Surgical Infections, 30-Day Mortality rates, Complications rates for Medical and Surgical Care, Patient Satisfaction, 30-Day Medical and Surgical Readmissions, and overall value. 100 SafeCare Hospitals have achieved an exemplary level of performance in the comprehensive, evidence-based metrics of the Centers of Medicare and Medicaid (CMS) value-based program (HVBP), readmissions reduction program (HRRP), and acquired complications reduction program (HACRP). Hospitals that perform poorly on these quality, safety, and efficiency metrics receive a financial penalty from the US government.

“While all US hospitals achieving improvements deserve recognition, those achieving 100 SafeCare Hospitals distinction are leading the way,” says Dr. Yisrael Safeek, MD, MBA, Chairman and CEO of The SafeCare Group®. “Congratulations to Methodist Hospital of Southern California on achieving 100 SafeCare Hospitals four years in a row and achieving top 1% in the nation overall for low infections, low complications, low readmissions, high patient satisfaction, and best value.”

“
