

Art Strip Poker: PC game with body painted women as never seen before

Torquemada Games released their new title: Art Strip Poker, an HD interactive video card game for PC with body painted female models

KATOWICE, POLSKA, July 31, 2018 /EINPresswire.com/ -- After two years of work Torquemada Games announce they have just released their new title: Art Strip Poker. It's an interactive HD video card game for PC starring beautiful body painted female models dressed in masterly artistic and very realistic body art painted clothing. Not only the girls' blouses and shorts are painted on, but the underlying layer of delicate, lace underwear as well. The illusion of real clothes is really impressive, not to mention there are several layers of them. It is a must see for body painting art lovers. More information on the new game at <https://ArtStripPoker.com> and pr@torquemada-games.com

Based in Poland, Torquemada Games, founded in 2002, is an independent developer and publisher, previously released several successful PC titles.

“

A real eyecatcher! Artistic, subtle body painting in a classic computer game.”
