

RJ Models finished the installation of Latest Global Cruise Terminal and Luxurious AIDA Cruises Models in Dubai.

RJ Models and 3DR Models have been appointed to be the model maker of Dubai Harbor and Dubai Harbor Cruise Terminal Project.

SHEN ZHEN, GUANG DONG, CHINA, August 1, 2018 /EINPresswire.com/ -- Dubai's government officially announced the plan to develop a new "Dubai Harbor" recently.

Dubai's President Sheikh Mohammed Bin Rashid Al Maktoum attended the exhibition of the Dubai Harbor development plan event to view the 1:400 and 1:150 architectural models.

Founder and director of [RJ Models](http://www.rjmodels.com), Mr.

Ray Cheung said, "It is an honor for RJ Models and 3DR Models to be involved in this project and we are grateful to our clients for their complete trust. We have also fully committed to the project and lived up to our clients' expectations."

The new Dubai Harbor will house a 1,400-berth marina, a 135-meters tall lighthouse, a cruise port and terminal with the capacity to handle 6000 tourists and a 150,000-meters long port.

After four weeks' of hard work and the close cooperation between the frontline engineers and the production team in Shenzhen, China, RJ Models provides stunning architectural models to clients and viewers, including a

model for Dubai Harbor in a scale of 1:400 and a Dubai Harbor Cruise Terminal in scale of 1:150.

To ensure the models' vividness, RJ Models defined and fabricated every component with accuracy, dedicated more than ten architectural model makers in Dubai.

The final masterpieces gained appreciation and praise from clients and audiences. "It's the best cruise ship model I have ever seen!" said the CEO of Carnival Holdings & PLC.
