agency's website highlighting their [nurse staffing](#) services as well as the company's founders' core values and mission. ENS Chairman Paul Thuku said, "We're pleased to serve our client partners with a 24/7 commitment to excellence. As founders of Excellent Nursing Services, Inc., we are experienced health care professionals ourselves. We understand very well the staffing challenges facing the

health care industry. We've focused our efforts on helping our client partners deal with these challenges, effectively and efficiently."

The new website was designed and developed in collaboration with Precept Partners in nearby Buchanan, Michigan. Precept manager, Stephen Antisdell said, "We enjoyed working with Paul and the ENS board to create a website that clearly explains their services, values and mission. They've created a unique, customer focused solution, based on their own experience and understanding of the needs of [healthcare](#) providers and patients." The website is optimized to operate on devices of all types and sizes and can be accessed at www.ENSstaffing.com.

About Excellent Nursing Services, Inc. (ENS)

ENS is the staffing solution by nursing professionals, focused on providing nursing excellence when and where their clients need it. Founded by four families deeply experienced in the nursing field, ENS team members count it as a privilege to be part and parcel of any organization by providing highly qualified medical assistants, CNAs, LPNs, and RNs and DNSs. ENS' professionalism starts with recruitment of staff who are flexible, dependable, and worthy of your trust. ENS teams work to seize every opportunity to learn, improve and make a positive difference in providing care for the patients they touch every day. Details at www.ENSstaffing.com
