

Nubian Beauty Fatuma Kalumbwa Graces the Cover of TR MAGAZINE

Nubian Angel Fatuma Kalumbwa Radiates from the Cover of Issue 14

LINDENWOLD, NEW JERSEY, USA, August 3, 2018 /EINPresswire.com/ -- On August 1, 2018, the 14th issue of [TR MAGAZINE](#) released featuring model Fatuma Kalumbwa who currently resides in Sweden. This is another historic issue since Fatuma is our first African model to feature on the cover of TR MAGAZINE. Please be sure to read Fatuma's compelling story (only in the printed copy) and purchase your high-resolution pdf and printed copies. We could not be more thrilled with TR MAGAZINE Issue 14 and the amazing talents featured therein as well as the top talents that continue to come to us requesting to be featured in the magazine. [TalentRaters](#) continues to feature the best talents in the world! Special thanks to TalentRaters (TR) Committee member Aldo McCoy for assisting with the scouting and recruitment of talents, getting paid advertisers for the magazine, and assisting with artist photography as needed. In only a brief time, Aldo has proven to be an asset to the TR Corporation.

Moving forward we are looking for more media opportunities (ABC, NBC, CBS, Discovery, TMC, Ellen, etc.) to discuss and make more individuals worldwide aware of TalentRaters and TR MAGAZINE and the good we are doing.

TalentRaters and TR MAGAZINE have great plans but to make them a reality, we need to circulate the magazine even more. How does that happen? First, we need artists to purchase larger quantities of magazines. This is not a magazine that you see on the shelves in the store, this is a magazine that you, the artists, are featured in and is a part of your resume and legacy. You should be buying bulk quantities and mailing them to important industry professionals capable of advancing your careers. We also desire to get picked up by a major publishing company. TR MAGAZINE is extremely popular and needs to be taken to the next level in the industry so the magazine becomes available for purchase on store shelves and not just the TR MAGAZINE website as it is currently. TR MAGAZINE is a premium talent magazine with the potential to be active forever!

“

We have featured a number of African models in TR MAGAZINE but this is the very first time one has graced the cover of TR MAGAZINE and Fatuma Kalumbwa was the perfect choice radiating so much beauty.”
