Aditi Sri Received Commendation as Top Hollywood Bollywood Singer

NEWARK, CA, USA, August 3, 2018 /EINPresswire.com/ -- Aditi Sri 17 has received commendation from City of Newark Mayor MR. Alan Nagy as Top Hollywood Bollywood Singer. She has been singing since five-years-old, Aditi Sri was put on this earth to deliver music to the world. Trained in both Indian classical and Western vocals, she comes with versatility jam-packed into her repertoire. A repertoire that includes her two current singles; "On Your Own" and "Shine."

Both tracks showcase the tenacity this generation has while still being a great set of modern pop songs. Released in October 2017, "On Your Own" is vocally and stylistically comparable to Demi Lovato's 2013 eponymous release with its vibrant yet sound that delivers the message of finding your own way through this world. Listeners get another side of the pop songstress with "Shine." An uptempo track that gives way to confidence and embracing one's personal shine.

Aditi Sri has taken the stage and performed over 100 shows since her first at the tender age of 12 at the Preity Zinta Show. Just a year later she was performing alongside the likes of Arvinder Singh, Kailash Kher, Lucky Ali. Balancing her music with her schoolwork, Aditi never let either fall by the wayside. Her dedication to everything in her life has won her praise and accolades from not only fans but critics and those who awarded her the Star Dust Award.

Only 17-years-old with more experience than people twice her age, Aditi Sri is ready to take the world in a grander scheme than she already has. Those interested in featuring either "On Your Own" or "Shine" can reach out via the information provided below.
