

Sportsman's Warehouse Now Offers Boost Oxygen at All Locations Nationwide

Sales pace and customer feedback grows the number of doors from 36 to 91

MILFORD, CONNECTICUT, UNITED STATES, August 4, 2018 /EINPresswire.com/ -- [Boost Oxygen](#) is very proud to announce that after a testing period in a select number of store locations, Boost has now been added and is available in all locations of Sportsman's Warehouse nationwide. With ninety-one (91) locations in 23 states, Sportsman's Warehouse is conveniently located near the camping, fishing, hunting and hiking opportunities their adventurous customers love.

"When we first started carrying Boost, it was just in 14-stores in our Western region considered to be at-altitude. Sell through was very good, reorders of the product arrived quickly and demand increased," says Dale Smith of Sportsman's Warehouse. "Years later, after many orders, and expanding locations, we are very happy to carry Boost Oxygen in ALL Sportsman's Warehouse stores nationwide."

“

We are very happy to carry Boost Oxygen in ALL Sportsman's Warehouse stores nationwide."

Dale Smith

ozone, pollen, smoke and altitude are all situations that an outdoor enthusiast faces. We are extremely happy to see the constant posts in social media about people who have discovered our product and talk about how it has positively supported their active and outdoor lifestyles."

Boost Oxygen is the worldwide leader of providing portable, lightweight, and affordable bottles of 95% pure oxygen in the retail consumer market. Professional athletes have had the opportunity to fuel their talent with oxygen for decades. Now, it's available in the retail space for consumers who both already know the benefits of oxygen and for those who are discovering it.
