

Virtual Reality Sales Are Exploding at centertec

centertec sales are going through the roof while home based Virtual Reality sales remain flat

PHILADELPHIA, PA, UNITED STATES, August 7, 2018 /EINPresswire.com/ -- Despite home based Virtual Reality (VR) sales remaining flat, [centertec](#) continued its industry defining growth.

"Our sale numbers are up 28% over last quarter sales figures." said Bill Tustin, CEO of centertec.

Existing monthly membership plans, robot birthday parties, VR parties and summer camp programs contributed to the unprecedented growth.

"Our innovative programs prove that our strong centertec business model is exactly what people are looking for in entertainment and [STEM](#) edutainment for their families" said Daniel Taylor, co founder.

Bill Tustin said "I love watching friends, students, campers, families and couples playing together and having a great time at centertec".

“

Our sale numbers are up 28% over last quarter sales figures”

Bill Tustin

Liz Hoy, General Manager at centertec said "because our sales are increasing we have employed quite a lot of local high school and college kids in the community this year".

"VR isn't "dying" it's just not for home use but to be enjoyed in an educational, entertainment social center" said Daniel

Taylor.

centertec offers custom birthday [party](#) packages, as seen here:
