There are plenty of options for dining throughout the Ibiza, with the bow deck, and upper decks, fore or aft providing intimate and luxurious settings for watching the sunset and having a great party! The sound system includes two sets of professional night club level audio systems in both upper and main levels, with impressive sound and bass. Both come with Bluetooth connection. You don't need hire

a DJ to bring extra speakers. Simply create a play list on your phone or iPod.

The Ibiza sails through the fascinating, science fiction looking container port and then out into the spacious and wide Long Beach harbor, back dropped by the green hills of Palos Verdes. This
