

Fujisoft and Adapt software India sign distribution agreement to sell TITAN Intranet for Office365 and SharePoint in UAE

Partnership to promote modern workplace solution for Office365

GURGAON, HARYANA, INDIA, August 14, 2018 /EINPresswire.com/ -- Adapt Software India developer and provider of the next generation readymade Intranet called [TITAN](#); today announced it had signed TITAN distribution agreement with [Fujisoft](#) Technology LLC, a Microsoft Gold Certified Partner and leading Microsoft CSP in UAE.

Fujisoft has broad experience in implementing various Microsoft solutions including Office365 for the past more than nine years. This agreement allows Fujisoft to introduce and distribute TITAN to Office365 customers in UAE. TITAN is monthly subscription-based software as a service that simplified Office365 user experience.

Today's announcement with Fujisoft, signifies a continuation of the sales momentum that we have been generating with TITAN, our modern workplace solution that was launched very recently," commented Ashish Kamotra, CEO of [Adapt Software India Pvt. Ltd.](#) "The potential of this agreement with expansion into the UAE market is fascinating for us. Fujisoft has a proven track record with Microsoft cloud offerings especially Office365 and SharePoint within UAE, and we strongly believe that their efforts to introduce TITAN Intranet to its customer and partner base will be truly successful."

"We are very excited to launch TITAN and to become the first to introduce this amazing Modern Workplace Solution for Office365 in UAE. We strongly believe that product such as TITAN will not only increase employee productivity but also bring higher ROI for Office365 investments by increasing consumption of Office365.," commented Fujisoft Director, Albert Raj. "TITAN can be deployed within hours, and our customers can go live within a few days. We have seen companies burning millions of dollars in developing an Intranet that does not even offer flexibility and seldom goes live. We are confident that UAE customers will like this versatile Readymade Intranet that saves not only time but also substantial cost. Every company is going through a digital transformation, and TITAN will help them to achieve their digital workplace strategy. We pride ourselves on knowing the needs of the UAE market when it comes to Office365 based Modern Workplace solution that we will create a success story for TITAN in UAE as well. "
