

National Drug Screening Recognized with DATIA NAADATP Accreditation Award

National Drug Screening is one of only 29 companies in the nation recognized as Nationally Accredited for Administration of Drug and Alcohol Testing Programs.

MELBOURNE, FLORIDA, UNITED STATES, August 9, 2018

/EINPresswire.com/ -- National Drug Screening (Melbourne, FL) has again received national recognition as an administrator of drug and alcohol testing programs commonly called a third party administrator or [TPA](#). The accreditation program is provided by the Drug and Alcohol Testing Industry Association (DATIA). National Drug Screening (NDS) is one of only 29 [drug testing](#) companies in the nation to have received this award from DATIA for - Nationally Accredited for Administration of Drug and Alcohol Testing Programs (NAADATP).

Joseph Reilly, President of National Drug Screening stated – "We so proud of this recognition and the hard work of our team to maintain such prestigious status. Organizations that achieve NAADATP status are recognized for adhering to strict standards in areas of professional

“

It is a great pleasure working with a team with the level of dedication and professionalism necessary to meet the requirements of this accreditation award.”

Tom Fulmer, VP Business Development

competency and conduct, procedural administration, confidentiality of records, testing administration and reporting, accountability, and client services. These organizations are recognized by potential clients and industry professionals as providing superior services in the field of drug and alcohol testing program management.”

DATIA initiated the accreditation program with a goal to have a national standards program for companies who provide drug free workplace program management services to ensure they have company specific standard operating procedures, safeguards, and the knowledge and

professional practices that keep their clients in compliance with federal drug and alcohol testing regulations. The NAADATP program not only provides guidelines for management of drug free workplace programs, but also affords employers an assurance of quality. By utilizing a NAADATP accredited provider, employers can be assured that the provider of services is in full compliance with regulations, best practices and industry standards.

The Drug and Alcohol Testing Industry Association (DATIA) was founded in 1995 and has grown to represent over 1500 member companies, and expanded its scope. DATIA now represents the

entire spectrum of drug and alcohol service providers including collection sites, laboratories, consortiums/TPAs, MROs, and testing equipment manufacturers.

National Drug Screening (NDS) provides drug testing services in all areas of the United States to small and medium size businesses. NDS offers one system for scheduling, ordering and processing [paperless drug testing](#) (both DOT and nonDOT) using all major SAMHSA laboratories as well as Medical Review Officer Services (MRO). Clients save time and money with an efficient electronic process for ordering tests and receiving test results. NDS also provides point of collection testing (POCT) programs that provide for negative drug test result to be electronically delivered to the client within minutes.
