[/EINPresswire.com/](http://EINPresswire.com/) -- This 4-day event is fun for the entire family starting August 31st to September 3rd. Come for an entertainment filled weekend with gourmet food trucks, kid activities, dimensional art for your home and garden and of course the main event, the amazing, out of this world sand sculptures. This year will be the first time the Sand Sculptures will be illuminated at night! Enjoy a cocktail, watch the sunset and let the sculptures and the entire Broadway Pier come to life each night.

“

We are very excited about being able to light up the sculptures each night. With the sunset and the city lights, combined with the sculptures it's going to be breathtaking!”

*Joyce Summer*
