*Imbue Botanicals, LLC has expanded its current CBD product line with the introduction of its transcend all natural vaporizer cartridges.*

PALM SPRINGS, CA, UNITED STATES, August 9, 2018 /EINPresswire.com/ -- Palm Springs, CA, August 9, 2018 - (Press Release Point) – Imbue Botanicals, LLC, a Wyoming based company, is pleased to introduce its transcend line of all-natural vaporizer cartridges. The product addition is a further expansion of its extensive hemp-derived CBD product line with CBD vaporizer cartridges unlike others currently marketed.

Imbue Botanicals offers an extensive line of premium CBD products produced from organically grown Colorado hemp, including CBD tinctures and CBD capsules and CBD topicals for both people and pets.

"We are very excited to introduce our transcend vape cartridges" said Tom Bauer, Managing Member of Imbue Botanicals. "This is something so many of our wholesale partners and customers have asked for, but we weren't going to do it unless we could do it right. We wanted to make sure that our cartridges were as natural as possible, tasted great and performed even better. And that's exactly what we've done with transcend."

Imbue's 1 ml., 100% natural Vape Cartridges contain only three ingredients...their organic, Colorado grown refined CBD oil, cold pressed natural flavoring and natural terpenes. That's it. And they pack a powerful 350 mg of CBD per cartridge. Smooth and very flavorful, Imbue vape cartridges bring a new level of enjoyment to CBD.

Packaged in a glass cartridge and see-through recyclable box, the cartridges are currently available in 2 flavors; Mango Pineapple and Lemon, which are sure to please the pickiest of palettes.

The product is available online at [www.imbuebotanicals.com](http://www.imbuebotanicals.com) and from select retailers.
