The newly constructed website will allow HUD512 to buy houses that homeowners could not list with a real estate agent due to pending foreclosure, tax lien, probate issue, job loss, bad foundation and a number of other reasons. Homeowners in these types of situations need an option to sell their house quickly, at a fair price and with no hassle. Austin homeowners no longer have to deal with the frustration of trying to sell their home in Austin alone. Jack with HUD512 says “we have forms on our website that allows you to submit some basic property information which only takes a couple of minutes. We will contact you

immediately and provide a cash offer on your home within 24 hours. This makes selling your house fast and fair available to anyone in the Austin TX area”.
