

# Constant Technologies Inc. Named One of Commercial Integrator's Fastest Growing Integration Firms

*Constant Technologies, Inc. is formally recognized by a leading trade publication for excellence in operations center video wall design and integration.*

NORTH KINGSTOWN, RI, UNITED STATES, August 13, 2018

/EINPresswire.com/ -- [Constant Technologies, Inc.](#) announces that it has been named one of the fastest growing integration firms of 2018, an accolade granted by Commercial Integrator (CI). Constant was contacted by Commercial Integrator to participate in the study due to its reputation as a global professional video wall integrator, and the trade publication recognized the company as one of the top 18 fastest growing AV integration companies for the year 2018.

For the second year in a row, Commercial Integrator surveyed many firms with demonstrable, above-average growth in AV Integration to honor effective companies and identify successful strategies within the industry. The results of their study into the fastest growing integration firms are featured in the August issue of Commercial Integrator and online at [commericalintegrator.com](#).

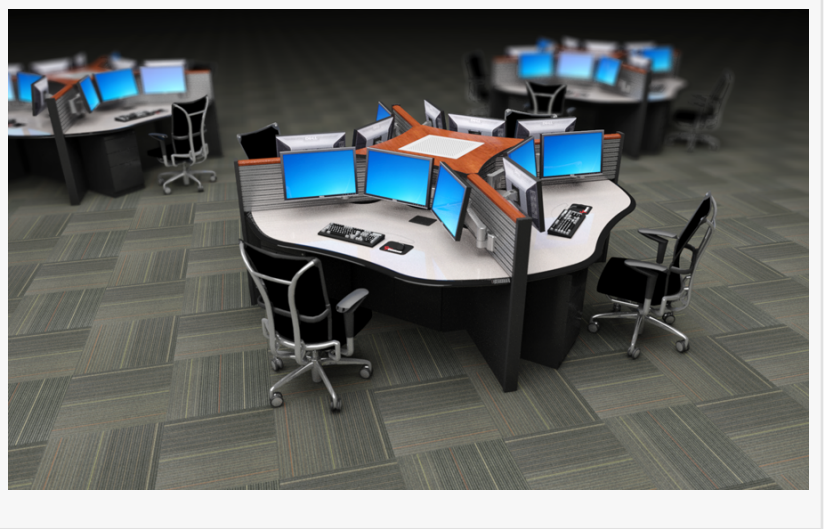

“

Constant Technologies is very pleased to receive this recognition from Commercial Integrator. We have strived very hard to continue steady, organic growth and maintain our unsurpassed service.”

*Brad Righi*

Brad Righi, President of Constant Technologies, said of the feature: “Constant Technologies is very pleased to receive this recognition from Commercial Integrator. We have strived very hard to continue steady, organic growth and maintain our unsurpassed service.
