

New Commanding General at The U.S. Army Combat Readiness Center to Deliver Briefing at The Defence Safety Conference

SMi Group Reports: Brig. Gen. Timothy J. Daugherty will present at the Defence Safety Conference on the 1st and 2nd October in London

LONDON, UNITED KINGDOM, August 13, 2018 /EINPresswire.com/ -- Brigadier General Timothy J Daugherty, Commanding General, US Army Combat Readiness Center has confirmed his participation at the inaugural Defence Safety Conference, taking place in London, United Kingdom on the 1st and 2nd October 2018.

He will be presenting on: "The U.S. Army Combat Readiness Center (USACRC): [Maximising Force Protection and Safety](#)", covering:

- How the USACRC ensures safety for Soldiers and Army civilians
- Training officers in aviation and ground safety
- Accident Investigation and leveraging this for future accident avoidance
- Harnessing safety to ensure the Army's status as the world's most ready and capable military force

This conference is the first of its kind, with a specific focus on aviation, land and maritime safety.

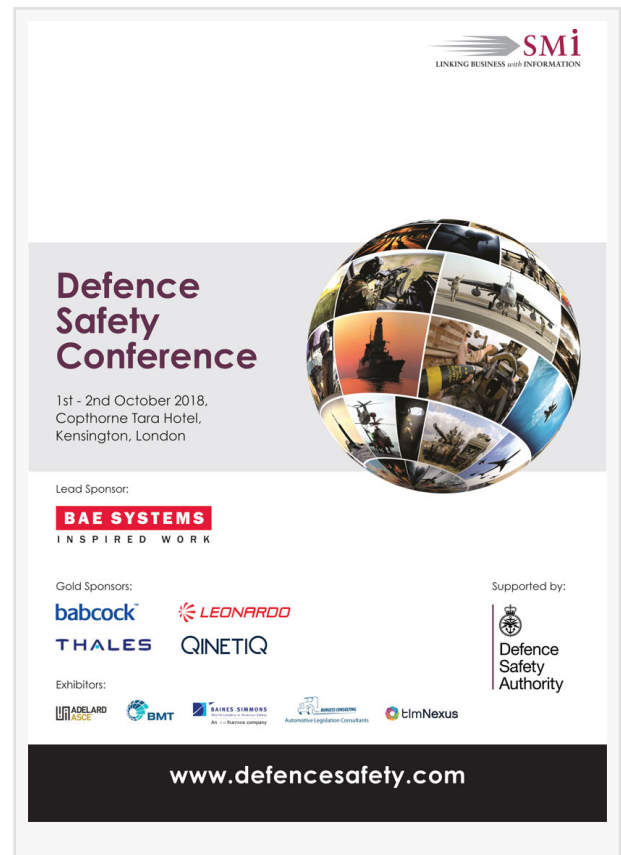

Supported by [The Defence Safety Authority \(DSA\)](#), part of the UK Ministry of Defence, the conference will be chaired by: Lieutenant General Richard Felton, Director General, DSA.

When describing the event Lt Gen Richard Felton said:

"The aim of the Conference is to identify and promote 'what works' and discuss 'how we can do better'. Essentially, this includes the safe delivery of defence capabilities and the parts that operational users, equipment and service delivery organisations and research and development play in defence safety. I hope we will identify good practice and those who procure, provide and operate Defence equipment and services will benefit."

Other senior leaders presenting at the conference include:

- The Right Honourable Tobias Elwood MP, Parliamentary Under Secretary of State and Minister for Defence People and Veterans, British Government
- Sir Simon Bollom, Chief Executive, Defence Equipment and Support, UK MoD
- General Sir Gordon Messenger, Vice Chief of Defence Staff, UK MoD

The poster for the Defence Safety Conference features a central globe composed of various military and safety-related images. The text on the poster includes the event title, dates, location, and a list of sponsors and exhibitors.
