

# Distinctive Schools announces the addition of third grade at Distinctive College Prep: Redford

DETROIT, MICHIGAN, UNITED STATES, August 13, 2018 /EINPresswire.com/ -- [Distinctive Schools](#) announces the addition of [third grade](#) at [Distinctive College Prep: Redford](#) located at 17175 Olympia, Redford, Michigan, 48240.

Opening for the 2018-19 school year, Distinctive College Prep (DCP): Redford is Distinctive Schools' second campus in the metro-Detroit area. DCP: Redford is currently enrolling students in kindergarten through third grade, with plans to add a grade level each year and serve students in grades kindergarten to eighth grade.

"It has been exciting to see the surge of support from our school community as we approach the first day of school," said Camille Hibbler, school principal at Distinctive College Prep: Redford. "Over the course of the summer, we have met many of our incoming students and families, and are continuing to accept student enrollment applications for grades kindergarten, first, second and third."

DCP: Redford's learning model supports students to be active partners in their education. Teachers design learning experiences that provide each student with the right content, at the right time, in the right place, using the right mode of instruction, and utilize learner profiles, as well as develop personalized learning paths for each student while they learn and grow in flexible learning environments.

"By adding third grade at Distinctive College Prep: Redford, we are committed to positively impacting more students and families through our innovative learning model," stated Scott Frauenheim, Distinctive Schools President. "We are excited to provide this opportunity to the metro-Detroit community and ensure the students in the communities we serve are positioned for success in college, career, and life."

DCP: Redford is open to students across metro-Detroit. "We already have students enrolled from Detroit, Dearborn Heights, Redford, Livonia, and other surrounding communities," Hibbler added. "Because we are a free, nonprofit public charter school, we welcome all students, no matter what zip code they may live in."
