ALLENTOWN, PA, UNITED STATES, August 14, 2018 /EINPresswire.com/ -- Exeter Orthodontics is offering residents of Allentown braces and Invisalign at one low cost. The new Lehigh Valley location of Exeter Orthodontics marks the orthodontic group's seventh Pennsylvania location.

[Braces in Allentown](#) cost only \$3,995, a fraction of the price other Lehigh Valley orthodontists may charge. This low price includes repairs, retainers, adjustments, and x-rays, ensuring no hidden fees make the price of orthodontic care impossible to pay.

In addition to braces, [Invisalign in Allentown](#) also costs only \$3,995. Invisalign is a convenient and comfortable alternative to braces. Invisalign aligners fit transparently over a patient's teeth and gradually move them into place.
