

Hyperlinks Media's Growth Induces Move to a New Location

HOUSTON, TEXAS, UNITED STATES , August 13, 2018 /EINPresswire.com/ -- On July 27th, the Hyperlinks Media team exited the doors of their Katy office location for the last time. "The office served us well for many years, but we had outgrown it and I am extremely excited about the new opportunities of the new location." stated CEO, Charles Mazzini about his final time locking up the office.

Over the past ten years, the Katy office would prove to be a successful one. 5 BBB Awards and a 20th anniversary later, Hyperlinks Media would look forward to a move into a newly remodeled office space in Houston, Texas. The growth and success of the company takes it to a new location where the company can continue to grow and prosper.

Hyperlinks Media's new office is located in the Park Ten Business Center next to the Energy Corridor directly off the Katy Freeway. The new location makes it very easy for clients to visit their office. The 6th-floor office suite was a \$75,000 build-out. "It was completely remodeled with all [of] the features and [the] modern styles we were looking for. The suite even has a beautiful walk-out balcony." said Mazzini.
