

REALTECH Inc. Announces Its Partnership with IBM Corp

MALVERN, PA, USA, August 14, 2018 /EINPresswire.com/ -- REALTECH is pleased to announce it's partnership with IBM on SAP HANA Power Infrastructure deployments. REALTECH is a premier SAP migration partner and industry expert having helped customers on over 1000 migrations. Industry veteran, Stacie Mason - Vice President, Worldwide Cognitive Systems Channels IBM Systems, recognizes the expertise delivered by REALTECH and says

"As key customers who plan to run their SAP applications on industry leading IBM infrastructure, it is pertinent to have premier partners like REALTECH to help customers migrate their data and applications smoothly. These enterprise platform conversion projects are business critical and require experts."

REALTECH and IBM are eager for customers to see the benefits of SAP HANA on IBM Power Systems, including higher flexibility, resiliency and performance.

"REALTECH is excited to announce our strategic partnership with IBM on their SAP HANA initiative and help customers transform to the latest and greatest IBM infrastructure to support their future company direction and business needs."
