

Cuomo Fails to Protect Women & Girls with Disabilities from being Sexually Assaulted

Almost all sexual assaults and rapes in Cuomo's mental health agencies are being covered-up

ALBANY, NEW YORK, UNITED STATES, August 15, 2018 /EINPresswire.com/ -- The Jonathan Carey Foundation has done extensive research and all State and County documents obtained through Freedom of Information Law point to wide-scale criminal cover-ups by Cuomo's fraudulent Justice Center. Almost every sex crime against disabled women and girls disappears as Gov. Cuomo continues to protect and shield countless [sexual predators](#) and pedophiles within his very own agencies from prosecution.

Gov. Andrew Cuomo must be stopped, he is directly involved in ensuring the covering-ups of thousands of sexual assaults, rapes and deaths of people with disabilities

There is no way humanly possible that [Governor Andrew Cuomo](#) can spin these facts or separate himself from these criminal cover-ups. These are his agencies reporting to his cover-up whitewash agency and almost all sex crimes are never reported to local police. Almost all of these thousands of reported sex crimes annually are purposefully kept from criminal investigations and from county elected prosecutors. Governor

Cuomo set this agency up to cover-up. Governor Cuomo has taken no significant actions to reduce the rampant sexual assaults and rapes against our most vulnerable, this is the simple fact. Governor Cuomo has ignored the New York Times "Abused & Used" investigative reporting series and the New York Times Editorial Boards call for cameras and proper police involvement.

“

There is no way humanly possible that Governor Andrew Cuomo can spin these facts or separate himself from these criminal cover-ups.”

Governor Andrew Cuomo is doing exactly what the [Catholic Church](#) has done, but he is protecting sexual predator and pedophile caregivers, instead of sexual predator priests. The numbers of sexual assaults and rapes of the disabled are astronomical in scope and according to a well recognized study called Prevalence of Violence only 3% of sexual assaults against the developmentally disabled will be reported.

Statistically, in New York State, upwards of one third of the disabled in only one of six of Cuomo's agencies are sexually assaulted on average once every year. Gov. Cuomo is failing to protect women and girls with disabilities from being sexually assaulted or raped, he is ignoring their equal rights and he is protecting countless sexual predators.
