

# TBG Security Once Again Included on Inc. 5000 List of Fastest Growing Private Companies for 2018

*For the third straight year, TBG Security has made the prestigious Inc. 5000 List for 2018.*

BOSTON, MA, USA, August 16, 2018 /EINPresswire.com/ -- Massachusetts based [TBG Security](#) is excited to announce their addition to the Inc. 5000 List of Fastest Growing Private Companies for 2018. This is the third straight year TBG Security has made the list. They ranked No. 2673 on this 37th annual list and are the only security consulting firm in the state of Massachusetts to make the list. This list represents a unique look at the most successful small and medium sized companies across the country.

"We have continued our growth in 2017 by focusing on being the trusted advisor to our current customers and expanding our risk management offerings to meet the ever changing threat landscape for cybersecurity." says Kevin Gorsline COO at TBG Security. "We are honored to once again be included in this prestigious list of fastest growing companies and proud of what our team has been able to accomplish. Our continued growth in the competitive cybersecurity space shows the trust our customers have in our abilities to guide them through the threats posed to today's businesses. We are proud of our industry knowledge, our hard working employees and our fantastic customers."

TBG Security is a leading provider of information security and risk management solutions for Fortune 1000 and Fortune 500 companies. TBG designs and delivers cyber security solutions to work in harmony with existing operations. Companies depend on TBG services in areas including risk management, security strategies for compliance, cyber supply chain management, physical, network and application security, managed services, security policy, and incident response.

The 2018 Inc. 5000 List, unveiled at Inc.com and in the September issue of Inc. Magazine, is the one of the most exclusive lists in business. The 2018 Inc. 5000 achieved an astounding three year average growth of 538.2 percent and a median rate of 171.8 percent. The Inc. 5000 rankings are measured by percent revenue growth from 2014 to 2017. The minimum revenue required for 2014 is \$100,000; the minimum for 2017 is \$2 million.

Complete results of the Inc. 5000, including company profiles and an interactive database, that can be sorted by industry, region, and other criteria, can be found at <https://www.inc.com/inc5000/list/2018>
