

Luxury Tour Provider Announces Private Scuba Diving Onboard Exclusive Catamaran Yacht

Have a Magical Experience Onboard a Luxury Yacht and Explore the Depths of the Sea of Cortez with Private Scuba Diving Tours!

CABO SAN LUCAS, BAJA CALIFORNIA SUR, MEXICO, August 16, 2018 /EINPresswire.com/ -- FOR IMMEDIATE RELEASE: Operator of the highest rated luxury cruises is now offering voyages aboard luxury catamaran yachts along with a private luxury scuba diving experience. The luxury scuba diving holiday provider has announced they are now also offering private luxury scuba diving onboard a luxury catamaran yacht with state-of-the-art facilities and impeccable services.

At a recent launch event, the spokesperson for the company said, CABO YACHT WORLD is proud to announce that we have recently added a new yacht to our scuba diving excursions. We are extremely excited to have included a luxury Catamaran yacht ARISE to our fleet specially because we have a dive master on board that has been certified even for handicapped guests, and the addition of the new luxury Catamaran yacht is sure to add to the amazing experience."

“

Life is a journey with problems to solve, lessons to learn, but most of all, Experiences to enjoy”
unknown

The Catamaran is a multi-hulled watercraft that features state-of-the-art facilities such as, two parallel hulls. That Catamaran is a geometry-stabilized craft, and derives its stability from its extra wide beam, rather than a monohull sailboat which has a ballasted keel. Thus, it offers complete

comfort while sailing and scuba diving.

On answering a question, the spokesperson stated, “We are very happy with the inclusion of the new catamaran yacht to our scuba diving tour. The Catamaran offers the best in comfort and luxury, with spacious cabins, en-suite facilities and a sprawling deck along with salon areas. You can rest assured that our 64 ft. Catamarans have all amenities and equipment one would look for uninterrupted dives, making it the perfect vessel for exploring remote areas where underwater treasures are waiting to be explored in the sea of Cortez.”

The MY 64ft (19.51m) Lagoon Catamaran Yacht will be sailing to the relatively untouched Sea of Cortez, also known as the ‘Gulf of California’ which is considered to be one of the hot spots for biodiversity and marine life, along with a flourishing coral reef that’s just waiting to be explored. The sea is wedged between Baja California and the mainland Mexico with a sheltered and narrow outline, which results to mostly calm waters, making it an ideal spot for the best scuba diving experience possible.

He concluded by saying, “Our luxury scuba diving tour onboard a luxury catamaran yacht is

perfect for people who love the sea. the Sea of Cortez is an amazing place to visit. The warm waters are relatively calm, with high mountains in a distance rise from the bluish-green sea and upwards to the blue sky. It is the perfect place to spend a full day with friends or family. Once below the water, you are freed from gravity, and experience absolute freedom. Guests on our luxury scuba diving tours will get to spot up to 900 different fish species. Gently touch them, sit on the ocean's floor, or play with the sand, and feel like a true National Geographic explorer of the deep sea.

The boat ride to and from the dive site is also a sight to behold, not only because of the amazing natural beauty

of the surroundings but because Grey whales and Humpback are often spotted en route, which makes the experience magical. In short, it's a great body of water to explore, and we'd love it if you would join us for this unforgettable adventure."
