

Musician Advertising Website, Alldifferenttalents, Set to Take the Internet by Storm

MANCHESTER, UNITED KINGDOM, August 17, 2018 /EINPresswire.com/ -- Alldifferenttalents, an advertising website for musicians, has announced it's online launch effective 14th August 2018. The website is aimed at aspiring singers and songwriters looking to advertise online.

Alldifferenttalents gives absolutely anyone, from anywhere in the world, the opportunity to advertise and showcase their musical talent. Each advertisement measures 3000 x 3000 pixels and contains a picture of the artist, a short bio and a sample of the artist singing their own song.

The following statements were taken from the website homepage at <http://www.alldifferenttalents.com>;

"Here at Alldifferenttalents, we allow anyone to advertise their singing and songwriting talents with us. Our aim is to allow absolutely anyone, who sings and writes their own songs/music, to advertise with us. The purpose of this is to give artists, from all walks of life, the opportunity to let the world see them in action without actually having to leave their homes".

"Our goal for Alldifferenttalents is to push for as much exposure as possible for our talents to get them out there for the whole wide world to see. We are currently only in our infancy, however, with our hard work and dedication, we hope to make Alldifferenttalents a worldwide phenomenon thus helping our talents to reach their full potential".
