

Massey Consulting Announces Sponsorship of North Carolina's 2018 CED Tech Conference

Massey Consulting will be an exhibitor at this year's CED Tech Conference, which brings nationally-recognized leaders from all over the technology industry.

RALEIGH, NC, UNITED STATES, August 22, 2018 /EINPresswire.com/ -- Massey Consulting, a Raleigh-based accounting software specialist firm, announced

today the sponsorship it will be sponsoring the 2018 CED Tech Conference, a premier event for technology entrepreneurs. The conference takes place September 12-13 at the Raleigh Convention Center, 500 S Salisbury St, Raleigh, NC 27601.

The 2-day event is expected to attract over 800 attendees from around the nation, including nationally-recognized industry leaders, investors, tech enthusiasts, and entrepreneurs of high-growth companies that focus on Artificial Intelligence, Internet of Things (IoT), Cloud/Storage, Digital Health, and more.

Massey Consulting is North Carolina's leading accounting software provider for SaaS and tech companies, providing businesses with high-end financial management technology that allows them to accelerate business growth and eliminate the risks of financial inaccuracies through real-time data visibility.

"We are excited to be a part of such a dynamic conference and look forward to providing information on how innovative tech companies can leverage cloud-based technology to manage their core financials," says Philip Massey, CPA and President of Massey Consulting.

Hosted by the Council for Entrepreneurial Development, the conference will feature a demo room exhibit, displaying some of the leading tech companies in the Southeast, along with a live on-stage company presentation, featuring more than 25 entrepreneurs.

"We have first-hand experience with tech companies like these and are keen in demonstrating how cloud-based software can simplify their overall financial processes," says Massey.

About Massey Consulting

Massey Consulting, located in Raleigh, NC, is a full-service consulting firm that specializes in various implementations and integrations of accounting software. Massey Consulting often integrates front-end operation management systems with back-end financial software, like cloud-based Sage Intacct or Microsoft Dynamics GP, to create a seamless business management tool. The Massey team is comprised of technology consultants that have experience as accountants, controllers, and information systems experts. Recognized as a Microsoft Gold Partner and Sage Intacct Premier Partner since 2013, Massey Consulting serves over 100 clients across the United States, Canada, and Australia. For more information on our products, services, and financial management technology, visit www.masseyconsulting.net.
