

# BIZCO TECHNOLOGIES ANNOUNCES COMMUNITY PARTNERSHIP WITH RCS

CLEARWATER, FLORIDA, UNITED STATES, August 21, 2018 /EINPresswire.com/ -- Bizco Technologies is excited to be announced as the new preferred Managed Services Provider for RCS Pinellas.

“We could not be more grateful for Paul and the Bizco family; they are the quintessential example of what a true community partner looks like. I would imagine there’s thousands of for profit businesses making money without making an impact; however, as a nonprofit charity, it’s impossible for us to make an impact without financial resources. I can’t imagine RCS being able to serve those in need without the financial support of Bizco. Not only is their expertise, technical prowess and customer service second-to-none, their heart and passion for our community is unparalleled.” – Kirk Ray Smith, President & CEO of RCS Pinellas

Since partnering, Bizco has proudly hosted a successful Cottage Party for RCS, fundraising over \$8,000 towards the RCS mission of feeding the hungry, helping families facing homelessness return to self-sufficiency, and empowering survivors of domestic violence in Pinellas County. We had a great turn out for the event and RCS received several charitable donations from local businesses in Pinellas County such as Spine Pain, North Pinellas Children’s Medical Center, and PROMotion Marketing. Bizco employees have also volunteered with the Food Pantry and are continuing this effort as RCS community volunteer hours available. In the coming months we will be an active supporter in their annual fundraiser such as the Help & Hope Grand Gala on September 22, 2018 at the Conmy Center in Dunedin, Florida.

Paul Zoz, Bizco CEO, said “RCS is one of the most important local charities in Pinellas County as they serve 130,000 citizens in our community. We are honored to be involved with managing their technology projects and to have several employees on staff who are passionate to contribute to the RCS mission.”

Look out on the Bizco Clearwater Facebook page for ways to get involved. If you are interested in donating to RCS please go to <http://www.rcspinellas.org/donate/> or reach out to ITFL@Bizco.com and we will be happy to connect you.
