This is a media-friendly event.

Love and Hip Hop Hollywood Stars Shun Love. And Amber Diamond

"I joined the Love and Hip Hop franchise as a gateway to the entertainment industry," said Love who hails from Birmingham, Alabama and currently resides in Los Angeles CA. "Our appearance on Love and Hip Hop Hollywood will show we are wiser and more focused on our business. I'm here to teach the other cast members how to be a boss with class. The popularity of the show is the perfect platform to showcase my business savvy and my talented daughter as a singer, model and actress in front of the movers and shakers and not the fakers in this industry."

Love is more than a "mom manager," the fierce and fabulous club and concert promoter from the Dirty South has worked with the likes of Future and Gucci Mane, but now she's determined to build a family empire. A three-time teen mom and visionary, Shun wants to elevate daughter Amber Diamond into a superstar and, in the process, take Kris Jenner's spot as Hollywood's reigning "momager." "My biggest concern giving Amber the privileged life I never had is I may be raising a spoiled and naive monster," said Love who owns Playhouse Entertainment, an organization started in 2014 for the purpose of promoting major entertainment events such as concerts, arena shows and music festivals. Playhouse Entertainment was also a local club venue but has since expanded its influence to managing talent and securing music contracts for

artists.

Amber Diamond is no stranger to the public eye. She is known for her appearances on various reality shows, including Fix My Mom. She's also been on Binge Thinking and Wild 'N Out on MTV. She started modeling when she was 15. A couple of years later, she and her mother appeared on TLC's Raising Fame.

"I joined the show to promote my music career and gain more experience," said Diamond who grew up in Chelsea, Alabama. "Love and Hip Hop Hollywood is a great way to make new contacts in the industry and promote my brand. Appearing with my mom on this show is different from Fix My Mom because I am more mature and serious about my career."

Amber Diamond and Shun Love are making money moves on VH-1 Love and Hip Hop Hollywood Season 5.
