

# Luciad to sponsor Maritime Information Warfare 2018

*Smi reports: SMi's 2nd annual Maritime Information Warfare conference, taking place on the 26th and 27th November 2018, welcomes brand new sponsor, Luciad.*

LONDON, WATERLOO, UNITED KINGDOM, August 22, 2018 /EINPresswire.com/ -- Luciad is the latest sponsor to sign up for SMi's [Maritime Information Warfare](#) conference taking place between the 26th-27th November 2018, in London UK. Luciad's software components empower users to unlock the power of advanced geospatial analytics, providing real-time situational awareness that the modern world demands. Military leaders must make decisions quickly. They have lives at stake and depend on accurate information.

Maritime Information Warfare 2018

Luciad offers a unique platform for all geospatial content of any defence organisation and ensures mission success with its technology. Technology that does not only meet the needs of today, but also of tomorrow, this is particularly crucial because the Maritime industry faces major challenges in the years ahead.

Wing Commander (ret) Tony Wheeler, Director Defence Sector, Hexagon Geospatial - Luciad, will present: "Combining multiple Information sources to deliver better Situational Awareness". Wing Commander Wheeler will discuss "Handling billions of tracks: the big data of historical AIS tracks and significant events; Visual Analytics to enhance understanding; The power of information presented 'in context'; and Interoperability and maritime operations in the Littoral".

Luciad will be sponsoring, presenting and exhibiting at the two-day meeting, and will be available to discuss solutions to all attendee's potential challenges - keep your eyes peeled details to follow!
