

Cuomo protecting his appointed Justice Center 'special prosecutor' deemed unconstitutional

Governor Andrew Cuomo set up a State employee to bypass county prosecutors to cover-up crimes against the disabled

ALBANY, NEW YORK, UNITED STATES, August 22, 2018 /EINPresswire.com/ -- [The Jonathan Carey Foundation](#) has uncovered and is exposing how [Governor Cuomo](#) has been and continues to cover-up thousands of physical and sexual assault crimes and deaths of people with disabilities within his mental health agencies. How Cuomo thought he would be able to get away with this extremely sick and illegal as hell scheme long term is beyond me. Bypassing local authorities such as 911 call systems, local police, criminal investigations, county District Attorney's, Medical Examiners, Coroners and local courts for crimes against the disabled is something someone like Hitler would do. We must bring the truth to light regarding these state and federal crimes and the wide-scale civil rights and human rights atrocities occurring in New York State.

Gov. Andrew Cuomo must be stopped, he is involved in cover-ups of thousands of sexual assaults, rapes and deaths of people with disabilities

The New York State Constitution under Article 13 Section 13 says that crimes committed within a county must be prosecuted by the county elected District Attorney. Governor Cuomo thought he could blow off the NYS and US Constitutions and basically say the hell with the disabled; with his actions he is basically saying, we are not going to provide them their right to 'equal protection of laws.' So Cuomo appoints a New York State employee under his direct control to bypass 62 county elected District Attorney's in New York State that have the legal

jurisdiction to prosecute these horrific crimes. There is only one reason for Governor Cuomo to do this which is to purposefully cover-up thousands of physical and sexual assault crimes and criminally negligent homicides occurring within his mental health agencies.

Three State Supreme Court Judges and the New York State Attorney General have all said what Cuomo has done is unconstitutional, but Cuomo has ignored them and continued to obstruct justice and cover-up almost all crimes and deaths reported internally by mandated reporters. It is time for the federal criminal and civil rights investigations and swift indictments of [Governor Andrew Cuomo](#) and other top State officials involved in the wide-scale obstruction of justice, the criminal conspiracy and the public corruption which is all rooted in massive Medicaid fraud.
