CHICAGO, U.S., August 22, 2018

/EINPresswire.com/ -- [B2B Industrial Packaging](#) just announced that they

qualified for Crain's list of the 50 fastest growing companies in the Chicago area for the first time. The Fast 50 list recognizes the fastest-growing public and private companies in the Chicago area based on five-year revenue growth. The company's revenue increased 289% over the past five years—qualifying it for the 43rd spot.

B2B Industrial Packaging's success is based on the quality of the products and services it provides and also on the deep, long-term relationships that it develops with its clients. These relationships are based on expertise and the dedicated client care B2B Industrial Packaging is best known for.

B2B Industrial Packaging President Bill Drake said, "It is an honor to qualify for this list; sponsored by an organization as venerable as Crain's. This is a milestone achievement for us. We owe our rapid growth to a fine team of experienced account executives and support staff and the ever expanding portfolio of loyal clients we serve."

Crain's began seeking applications in January. They also reviewed their lists of public and private companies for likely candidates. Companies headquartered in the seven-county area of Cook, DuPage, Kane, Lake, McHenry and Will counties in Illinois and Lake County in Indiana, with 2017 revenue of at least \$15 million qualified as candidates.

In the interest of finding continuously growing companies, qualifying applicants had to have revenue growth from 2016-17 and no more than one year of declining revenue at any point from 2012-16. Crain's ended up vetting 125 applications to find this year's Fast 50. Financial verifications were conducted by the Chicago office of Plante Moran.

Servicing more than 6,000 active clients, B2B Industrial Packaging sells a full range of packaging equipment and supplies including steel strapping, stretch film, and fasteners to clients throughout the U.S. and Mexico. B2B Industrial Packaging is unique in that it also operates three state-of-the-art strapping and fastener tool repair facilities that service the entire U.S.

Headquarters are in Addison, Ill. with additional locations in Fort Worth, Texas; Houston; Oakland, Calif.; Los Angeles; Portland, Ore.; Eugene, Ore.; and Seattle. To contact B2B Industrial Packaging, call 1-877-222-5747, email Caitlin Montgomery at cmontgomery@b2bind.com, or visit www.B2Bind.com.
