

# BoardBookit Aligns with Governance Partners Group

*BoardBookit and Governance Partners Group announced today they are partnering to provide superior board and corporate governance services to clients worldwide.*

PITTSBURGH, PA, UNITED STATES, August 23, 2018 /EINPresswire.com/ -- BoardBookit and Governance Partners Group announced today they are partnering to provide superior board and [corporate governance](#) services to their clients worldwide.

Governance Partners Group works with clients in a variety of ways to deliver expert corporate governance services to corporations and organizations that want to supplement and complement their existing Corporate Secretary. GPG provides companies of every size with practical, experienced Corporate Secretarial services. This partnership will benefit their clients by introducing the BoardBookit [board portal solution](#) to further enhance board management and support corporate governance practices for companies and organizations.

BoardBookit | Secure Board Portal and Board Management Tools

“BoardBookit [board portal software](#) offers its users an unparalleled intuitive platform that is unmatched in usability, security, and scalability,” said Marion Lewis, BoardBookit CEO. “Together with Governance Partners Group, BoardBookit will continue to advance its mission to innovate corporate governance and help boards of directors plan and improve their board meeting experiences.”

“

Together with Governance Partners Group, BoardBookit will continue to advance its mission to innovate corporate governance and help boards of directors plan & improve their board meeting experiences.”

Marion Lewis

Paul Marcela, President and CEO of Governance Partners Group added, “GPG is focused on and committed to providing excellence in external corporate governance services for all types of companies. We are excited about our alliance with BoardBookit because we know that BoardBookit will greatly contribute additional value to our clients by incorporating its robust board management

software. Together, GPG and BoardBookit are committed to energizing corporate governance to

help their clients manage risk and enhance shareholder value.”

#### About BoardBookit

BoardBookit is the board portal solution that perfectly blends security, functionality, optimal user experience and affordability. Fast, intuitive and flexible, BoardBookit gives companies the control they require and support when they need it. Designed with input from corporate secretaries, administrators and board members to enhance board engagement, effectiveness and governance, BoardBookit is used by companies worldwide.

#### About Governance Partners Group

Governance Partners Group, LLC (GPG) provides effective, external Corporate Governance and Corporate Secretary service solutions for companies of all types and sizes. GPG professionals serve as the Corporate Secretary for companies with no internal Corporate Secretary and supplement the internal Corporate Secretary function of companies by providing a part-time, on-demand Corporate Secretary service. GPG strives to deliver excellence in external corporate governance services to all types of corporations at a reasonable fixed cost. GPG can accomplish this because its governance professionals have breadth and depth of Corporate Secretary experience and deliver efficient and effective service in a low overhead environment. GPG professionals’ experience and personal service focus enable the delivery of Corporate Secretary services in a customized manner that meets the specific needs of each client. GPG’s services are provided by corporate governance professionals who have previously been Corporate Secretaries for multinational and domestic public and private corporations.
