

LifeStart Expands Their Presence in the Northeast

JOHNSTON, RHODE ISLAND, UNITED STATES, August 22, 2018 /EINPresswire.com/ -- LifeStart , the premium Corporate Fitness provider, today announced the opening of a new owner-occupied site in Rhode Island, expanding their presence in the Northeast.

The fitness center features a comprehensive line of Life Fitness cardio equipment, with 21-inch embedded displays that support HD-TV, Netflix, Hulu, Spotify and more. On-Demand programming is provided through Peloton bikes and MyZone. The group exercise room will be home to the industry's best yoga, cycling, Pilates, Zumba and bootcamp instructors and classes. The Life Fitness synergy 360 will be allow our degreed fitness professionals to coach group and personal training sessions.

LifeStart's innovative approach to corporate fitness center management, including engaging programming targeted at the entire employee population, integrated wellness services with the onsite clinic and access to specialized health professionals, will help ensure that all employees will have a healthy and fun workplace culture that continues to thrive.

About LifeStart Wellness Network

Founded in 1991, LifeStart provides premium corporate fitness solutions to established companies and enterprises ranging from small business to Fortune 500 brands including household names such as PepsiCo, Samsung, and Boars Head. The company has seen extraordinary growth in the past year, now operating nearly 80 sites in 13 states nationwide. LifeStart has more than 27 years of experience in designing, developing and operating hospitality-focused amenities for our nationwide customer base. As a service-driven company that believes in consistently delivering the best experience at work, our stunning, design-driven centers and best-in-class services install a sense of pride in our customers and empower our members to achieve their best each day.
