

# Portable Water Purifiers market estimated to reach \$124.1m by 2023

*Americas is the dominant market for portable water purifiers market and is estimated to reach \$54m by 2023 at a CAGR of 11% during the forecast period*

HYDERABAD, TELANGANA, INDIA, August 23, 2018 /EINPresswire.com/ -- According to the new market research report by IndustryARC titled "[Portable Water Purifiers Market](#): By Type (UV, RO, Ceramic, UF/MF); By Type (Plug & Use, Straw Filter, Vessel with In-Built Filter); By Applications (Outdoor Activities, Residential Apartments, Disaster Management, Others) & By Geography – Forecast (2017-2023)", the market is driven by the modern technology which leads to new product lines and increasing awareness about the benefits of water treatment.

Americas hold a major market share in the Portable Water Purifiers Market

Americas is the dominant market for portable water purifiers market and is estimated to reach \$54m by 2023 at a CAGR of 11% during the forecast period. This clearly tells us the fact that the portable water purifiers market size and revenue are on high during the forecast period. Initiatives from environmental agencies to provide awareness about these products and rising disposal incomes have put the American market in the top position. Portable Water Purifier market is well established in Americas regions owing to the surge of deaths caused by diseases resulting from water contamination coupled with the increasing recreational activities and deprived supply of clean water along with negligible fresh water sources will propel the need for portable water purifiers and other drinking water purifiers. These factors drive the growth of the Portable Water Purification systems during the forecast period.

Selected Strategic Analysis done in the full Report:

Water purifiers are point of use treatment systems that are designed to purify and remove the contaminants from water. Portable water purifiers are hand held units that facilitates pure drinking water for travelers, military personnel and people going for recreational activities, camping, and trips. These systems are used to remove substances that affect the physical or aesthetic quality of water like taste, color and odor.

Key players of the Portable Water Purifiers Market:

The companies referred to in the portable water purifiers market research report includes Katadyn, MSR, Fairey Industrial Ceramics, Seychelle, and Aquasana among others. These top five players account for approximately 45.16% of total market. However, emerging companies have been active in launching new products at lower prices which impacts the dominance of top players in the coming years.

Portable Water Purifiers market report is segmented as below:

The key applications for Portable Water Purifiers applications are Outdoor activities, Residential Apartments, Remote Municipality, Disaster Management, and Commercial complexes among others.

Portable Water Purifiers Market by Type

1. Plug & Use
2. Vessels with In-Built Filter
3. Straw Filter

Portable Water Purifiers By Applications

1. Outdoor Activities
2. Residential Apartments
3. Remote Municipality
4. Disaster Management
5. Commercial Complexes

Portable Water Purifiers by Geography (covers 12+ countries)

Portable Water Purifiers Market Entropy

Companies Cited / Interviewed

Brita

General Ecology Inc.

Mechanical Equipment Co; Inc. (MECO)

Blue Spring Corporation

SAFH20 UV

GRAYL, Inc

Vestergaard

Portable Aqua

What can you expect from the report?

The Portable Water Purifiers Market Report is Prepared with the Main Agenda to Cover the following 20 points:

1. Market Size by Product Categories & Application
2. Market trends & Relevant Market Data
3. Manufacturer Landscape
4. Distributor Landscape
5. Pricing Analysis
6. Top 10 End user Analysis
7. Product Benchmarking
8. Product Developments
9. Mergers & Acquisition Analysis
10. Patent Analysis
11. Demand Analysis (Revenue & Volume)
12. Country level Analysis
13. Competitor Analysis
14. Market Shares Analysis
15. Value Chain Analysis
16. Supply Chain Analysis
17. Strategic Analysis
18. Current & Future Market Landscape Analysis
19. Opportunity Analysis
20. Revenue and Volume Analysis

Frequently Asked Questions:

Q. Does IndustryARC publish country or application based reports in Portable Water Purifiers segment?

Response: Yes, we do have separate reports as mentioned below:

1. Americas Portable Water Purifiers Market (2018-2023)
2. Europe Portable Water Purifiers Market (2018-2023)
3. Asia Pacific Portable Water Purifiers Market (2018-2023)
4. Rest of the World Portable Water Purifiers Market (2018-2023)
5. Outdoor Activities Portable Water Purifiers Market (2018-2023)
6. Residential Apartments Portable Water Purifiers Market (2018-2023)
7. Remote Municipality Portable Water Purifiers Market (2018-2023)
8. Disaster Management Portable Water Purifiers Market (2018-2023)
9. Commercial Complexes Portable Water Purifiers Market (2018-2023)

Q. Does IndustryARC provide customized reports and charge additionally for limited customization?

Response: Yes, we can customize the report by extracting data from our database of reports and annual subscription databases. We can provide the following free customization:

1. Increase the level of data in application or end user industry.
2. Increase the number of countries in geography chapter.
3. Find out market shares for other smaller companies or companies which are of interest to you.
4. Company profiles can be requested based on your interest.
5. Patent analysis, pricing, product analysis, product benchmarking, value and supply chain analysis can be requested for a country or end use segment.

Any other custom requirements can be discussed with our team, drop an e-mail to [sales@industryarc.com](mailto:sales@industryarc.com) to discuss more about our consulting services.
