

National Drug Screening Ranked Within Winners' Circle of the 2018 Leadership Excellence and Development Awards

National Drug Screening, Inc. was recognized in the 2018 Leadership Excellence and Development Awards (LEAD) presented by HR.com receiving two Top 10 awards.

MELBOURNE, FLORIDA, UNITED STATES, August 23, 2018 /EINPresswire.com/ -- National Drug Screening, Inc. recognized in the 2018 Leadership Excellence and Development Awards (LEAD) presented by HR.com. National Drug Screening (NDS) was awarded two Top 10 placements for its leadership development programs putting NDS in the Winners' Circle for Best Sales Leadership Development Program and Best Customer Service Leadership Training Program. These awards recognize innovation and creativity within an organization for the design and execution of an internal leadership programs.

These prestigious leadership awards recognize the world's top leadership programs and highlight their company's dedication to developing their workforce. The awards were presented at the LEAD Awards Gala of the LEAD2018 Leadership Conference at the Grand America Hotel in Salt Lake City, Utah.

“

I am honored to accept these awards on behalf of NDS and our amazing team whose dedication to training and development has made this possible.”

Tom Fulmer

National Drug Screening believes strongly in providing leadership development program to team members. The programs include weekly group training, on-demand training videos, mentoring, one on one coaching sessions. NDS strives to be the industry leader not only in drug testing and drug testing management but also in insuring employers and individuals have access to accurate

information related to drug testing.

“I am honored to accept these awards which stands as a testament to our dedication to training and development,” said [Tom Fulmer, NDS's VP of Business Development and Training](#). “Our award-winning LEAD programs are an investment in our people, who we want to give every opportunity to excel both at work and in life.”

The Winners' Circle, including the top distinguished recipients of the LEAD Awards for 2018, were named for outstanding achievements in leadership development and programs in the areas of Education, Corporate and Individuals in advance of the LEAD2018 conference.

For the past 35 years, the LEAD Awards, formerly known as Leadership Excellence Awards, have identified and recognized the top leadership programs and organizations, and their strategies and solutions, in their yearly ranking. This year's award winners were published in the February edition of the Leadership Excellence Essentials e-publication. Other issues of the Leadership Excellence publication feature interviews from select top award winners in each category. These interviews will outline each program's unique qualities that made them a LEAD Awards winner.
