*As part of the company's strategic growth plan, Regency DKI has acquired Florida Panhandle based Disaster Response Team (DRT).*

WEST PALM BEACH, FL, UNITED STATES, August 23, 2018 /EINPresswire.com/ -- Regency DKI, a nationally recognized leader in [property restoration](#) has announced the recent acquisition of Florida Panhandle based Disaster Response Team (DRT). The announcement was made by Scott Stamper, President, Regency DKI.

"We are proud to bring together two of Florida's proven property restoration industry leaders: Regency DKI, and Disaster Response Team (DRT), serving Florida's Panhandle," Stamper said. "Combined, this powerful team has been providing quality solutions for over 80 years in the markets they serve. This new venture advances our corporate strategy and gives us a tremendous opportunity to expand our footprint to better serve and respond to our residential customers, as well as our largest commercial and industrial clients."

The acquisition is part of the company's strategic growth plan. "We've purposefully concentrated on the Florida Panhandle region as the next viable market to continue our expansion in Florida. For years, we focused on building the best customer service experience for our customers in the south and central Florida regions. We're excited to continue that level of service in the Northwest area of Florida with the acquisition of DRT. We're also excited to be able to provide the existing team at DRT with new opportunities for growth."
