Award Winning Singer-Songwriter Eddy Mann is Set to Release the 'Worship in Spirit and Truth' Album with Two Pre-Release EP's

PHILADELPHIA, PA, UNITED STATES, September 4, 2018 /EINPresswire.com/ -- Award winning Singer-Songwriter Eddy Mann is set to release his first worship project in three years. The 'Worship in Spirit and Truth' album will drop on Friday, October 5, 2018, but it will be preceded by two EP releases that will only be available on his website eddymann.com. The first one 'Worship in Spirit EP' will be released this Friday, September 07, 2018, and then two weeks later the 'Worship in Truth EP' will become available on Friday, September 21, 2018.

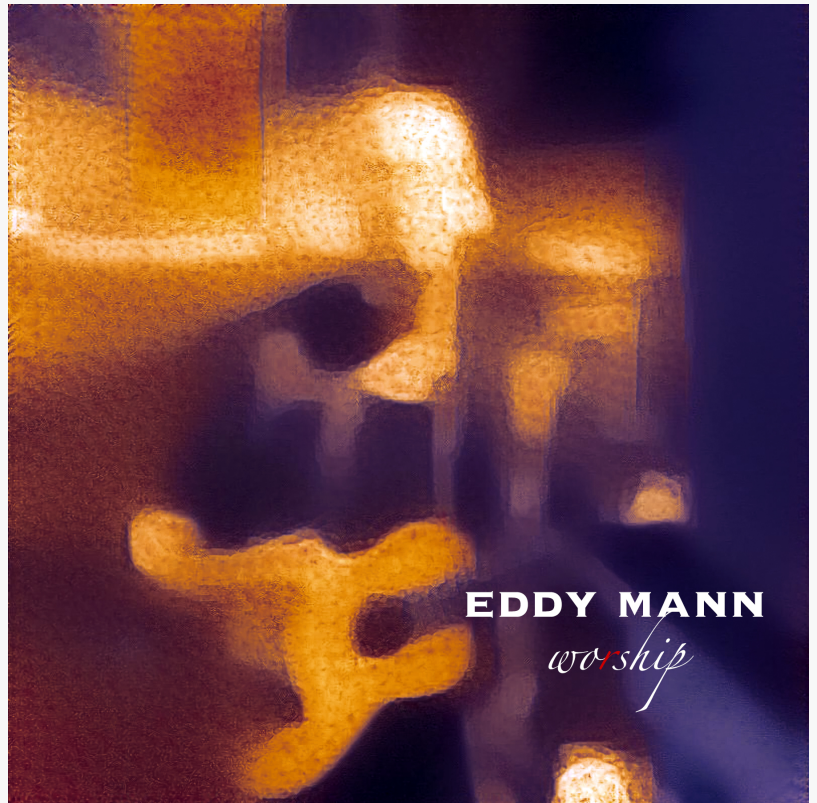

Recently Eddy shared his thoughts on the new project, "This is a folk-rock offering, seasoned with some blue-eyed soul, and served up Philly style. Though the songs were written over a three-year span, the recording actually took place over the past year. Mostly bits and pieces, in between gigs, traveling, and life events. On 'Spirit and Truth' I'm just sharing a snapshot of my inner person, the one that has to deal with what's happening in the news, with what I see and hear on the streets, and with what I'm personally walking through each day."
