

# Cuomo's Justice Center Corruption Scandal

*Gov. Andrew Cuomo heads up the most corrupt State in the nation which includes unbridled cover-ups of sexual assaults of women and children with disabilities*

ALBANY, NEW YORK, UNITED STATES, August 24, 2018 /EINPresswire.com/ -- [The Jonathan Carey Foundation](#) and Michael Carey its founder have uncovered a criminal cover-up scandal of epic proportion that [Governor Andrew Cuomo](#) has orchestrated. Thousands of sexual assaults and rapes within Cuomo's mental health agencies are purposefully kept from 911 call centers to ensure local police cannot respond. This obstruction of justice was planned and implemented by Governor Andrew Cuomo; he is the main person responsible.

Gov. Andrew Cuomo must be stopped, he and other top State officials are involved in covering-up thousands of sexual assaults and rapes of women and children with disabilities

The numbers speak the truth; State documents obtained through Freedom of Information Law (FOIL) reveal a distinct pattern that almost all sexual assault and rape crimes against primarily disabled children and women disappear internally. How the governor has gotten away with such evil and corruption to date is because others that he has appointed or controls through fear and intimidation protect him and his corruption. I have written on this many times and I must shout it from the rooftops, Governor Andrew Cuomo is protecting countless [sexual predators](#) and pedophiles. Governor Andrew Cuomo is directing the most egregious discrimination in civil rights and human rights atrocities in modern day history, the systematic protection of sexual predators, possibly greater than the Catholic Church pedophile scandal.

Years worth of New York State official documents reveal

that in just one of six of Cuomo's mental health agencies, the Office of People with Developmental Disabilities (OPWDD), approximately 1,300 reported sexual assaults or rapes annually. If these numbers weren't bad enough as it were, but this is only the tip of the iceberg. According to a well recognized study found on the State of Massachusetts website titled Prevalence of Violence, only 3% of these sexual assaults will be reported. Statistically, by doing the math, approximately one third of the residents with the OPWDD system are being sexually assaulted annually, well over 40,000.

There is an epidemic of sexual assaults and rapes of the disabled within Cuomo's agencies and Cuomo's answer is to make them disappear. Sounds like the Catholic Church scandal because it is just like the Catholic Church pedophile scandal, it must be told as it is. Like any other corruption, it only succeeds for a time before it is exposed and people begin to be held

accountable. Governor Andrew Cuomo and many top state officials involved, which have ordered these criminal cover-ups, have been directly involved or have been knowledgeable and complicit allowing these atrocities to continue must be held accountable to the full extent of the law. Multiple State and federal crimes are being committed and the New York State Attorney General has been protecting these criminal activities instead of stopping them.

The federal government must intervene swiftly to stop this sex cover-up scandal which makes Larry Nassar look like an angel. Larry Nassar got away with his sex crimes for a season, but not anymore. What I am bringing to light is a criminal enterprise and system that protects God only knows how many Larry Nassar's. The head of all these extremely dangerous agencies and the wrongfully titled and corrupt Justice Center that ensures most of these sex crimes disappear is Governor Andrew Cuomo. I will end on this note, remember OPWDD is only one of six mental health agencies that Cuomo operates that reports sex crimes internally to Cuomo's corrupt Justice Center. This scandal will not go away until all the main culprits and criminals are put away in federal prison where they belong.
