

INTERNATIONAL VILLA RENTAL COMPANY ANNOUNCES MOST SOUGHT-AFTER DESTINATIONS FOR THE WINTER SEASON.

Popular Sun Destinations for this coming Winter Season

NEW YORK, UNITED STATES, August 27, 2018 /EINPresswire.com/ -- Exceptional Villas, one of the world's most trusted villa rental companies has announced this year's most sought-after destinations in the Caribbean for the 2018/19 season. The information is based on advanced booking trends and inquiries. The Top Destinations include Turks and Caicos, Barbados, Costa Rica and The Dominican Republic. In addition, they have seen a welcome come back for advance bookings to St Barts which has historically been one of the most sought-after destinations for luxury vacation rentals in the Caribbean.

Beach Enclave Turks and Caicos

These destinations are trending well as a result of increased bookings from families and especially from families taking multi-generational breaks. There has also been a marked increase in groups choosing the Caribbean to celebrate special occasions such as anniversaries, birthdays or a destination wedding.

“

Turks and Caicos reservations are the strongest in terms of advance bookings”

1) [Turks and Caicos reservations are the strongest](#) in terms of advance bookings’ says Alexandra Baradi, owner, and CEO of Exceptional Villas. ‘Historically, most of our clients arriving in Turks and Caicos have originated from the US

and Canada’, but the company is also seeing a surge in bookings from the UK and mainland Europe. The increase in bookings is greatly enhanced by the availability of direct flights from most major US and Canadian hubs to the main tourist island of Providenciales.

2) [Barbados is also performing extremely well](#) when it comes to Luxury Villa Rentals in the Caribbean. The company is experiencing a 20% increase in year on year business to the island stated Baradi. The island has some of the best beachfront villas in the Caribbean and also offers very good value for clients looking for 5-star accommodation.

3) The Dominican Republic is another country experiencing a surge in popularity. The resorts of Punta Cana, Casa de Campo, and Cap Cana are seeing the biggest growth. [The resorts have some](#) of the country's most luxurious vacation rentals as well as world-class golf courses, wonderful beaches, restaurants, shops, spas, tennis centers and 5-star hotels. But the

Dominican Republic is a country which has a captivating history, culture and natural beauty which is also why tourists are flocking to the country.

4)St Barts – Exceptional Villas are seeing substantial growth for St Barts. Clients who had to make alternative plans last year because of the hurricane are re-booking due to the fact that they missed their piece of paradise so much. St Barts is an island like no other and it is simply not possible to replicate the experience of a St Barts Vacation elsewhere. The island has a unique combination of the chicness and culture that comes with the south of France combined with the stunning beauty, pristine beaches and crystal-clear turquoise waters of the Caribbean.
