ZHUHAI, CHINA, August 27, 2018 /EINPresswire.com/ -- [Multek](#), a leading provider of Interconnect Solutions, today announced the completion of its new, state-of-the-art Recruiting Center located in Zhuhai, China. The two-story facility was designed to enable smooth and efficient processing of many applicants, and supports online registration and application via Multek's Wechat public account. In addition, real-time background check systems linked to government databases, on-site interview rooms, and co-located Employee Union offices facilitate straight-through onboarding of qualified candidates.

During the ribbon-cutting ceremony -- which was attended by government

officials, customers and other guests -- Multek Chief Executive Officer Franck Lize remarked "At Multek, talented employees form the foundation on which we build all our other strengths, be it [technical expertise](#) or fast customer service. Our investment in this new recruiting center reflects the importance we place on talent and people. With added ability to quickly staff up and accommodate higher customer demand, Multek is now better positioned than ever to enable our customers' success."
