

Keller Logistics Group – Top 3PL Provider - Again

Food Logistics Magazine Releases Top 3PL List for 2018

DEFIANCE, OH - OHIO, UNITED STATES, August 27, 2018 /EINPresswire.com/ -- Defiance, OH: [Keller Logistics Group](#), an asset-based Third Party Logistics Provider (3PL) serving the Food & Beverage along with other key industry verticals announced today that, for the third year, they have been selected as one of [Food Logistics Top 3PL & Cold Storage Providers](#). Food Logistics Magazine publishes this exclusive provider listing yearly and is used consistently as a planning tool for supply chain professionals.

“Leading 3PLs and cold storage providers that support the global food supply chain are increasingly tasked with providing more value for their customers while simultaneously controlling costs,” notes Lara L. Sowinski, editorial director, Food Logistics and Supply & Demand Chain Executive, “Companies that earned a place on Food Logistics’ 2018 Top 3PL & Cold Storage Providers list demonstrate their ability to meet the current marketplace demands with the latest innovations and technology combined with customer care and collaboration.”

Bryan Keller, President, and CEO of Keller Logistics Group adds, “With the start up this year of our newest affiliate, [Hydrofresh HPP](#) (high pressure processing) with 15k square feet of on-site cold storage, we’re bringing yet another high demand value-add service to our food and beverage customers and markets. Keller supports its customers by providing processes and assets that bring synergy to their supply chain and have obtained and maintained certifications that are required by the customer and the industry; FDA, USDA, SQF, and ODA (Ohio Department of Agriculture) just to name a few”.

“You don’t have to be one of the “big dogs” to be recognized as a top dog” stated Julie Wanstedt, Director of Marketing at Keller. Although we would be considered in the small to medium size business category, we provide enterprise size capabilities.” Many of our customers choose us because of our size which affords them more personalized relationships, on-demand flexibility and customizable solutions without all the “red tape” of much larger 3PLs.”
