- Flexible and modern business support services for owners
- Collaboration with National Media Council to facilitate media licensing

AJMAN, UAE, UNITED ARAB EMIRATES, August 28, 2018 /EINPresswire.com/ --

[Ajman Media City Free Zone Business Club package](#) for entrepreneurs to [set up business in UAE](#) with minimal investment;

- Flexible and modern business support services for owners to maximise work productivity from day one
- Collaboration with National Media Council to facilitate media licensing for the growing social media influencer community

August 2018: The Business Club licensing package by Ajman Media City Free Zone gives you instant access to UAE and Arab region at the lowest investment and also gives you freedom to focus on your core business from day one says H E Sheikh Abdul Aziz bin Humaid Al Nuaimi, Chairman of Ajman Media City Free Zone.

"Business Club business set up package offers one of the lowest investment option for a new business owner, and give instant access to the United Arab Emirates, and the MENA region. But that is not the only great benefit you will receive as our customer."

"Time is of essence for new business owners and creative entrepreneurs who come to UAE and we allow them opportunity to maximise their productivity from day one of starting the business. Dealing with non-productive and non-essential tasks such as buying furniture, equipment, and worrying about maintenance and utility upkeep are a thing of the past when you work in Ajman Media City Free Zone offices."

"This package frees up new business owners from the need to invest in office support, infrastructure, furniture and other utility services. The business support services in Business Club licensing package are a very affordable way to attain a high class work space, designed with quality and functionality in mind, allowing you to focus on your business, and gain maximum productivity."

The Business Club package offers:

- Commercial Activities – Up to 5 allied activities mainly for import & export
- Service Activities – Up to 5 allied activities mainly for service providers
- Mix of Commercial and Services – As long as activities in both the categories are allied and grouped to a specific business type. For e.g.: It Consultancy, Software Design, Computer Hardware trading, Web Design
- Access to fully functional and modern support system with meeting rooms, conferencing and ample spaces for networking and recreation

Instant access to dedicated, modern and highly functional support set-up and infrastructure. Ajman Media City Free Zone business license comes with full access to a well-established and modern infrastructure without any financial or investment liabilities. With a fully functional support system, owners do not have to worry about time and financial investment wasted in creating support infrastructure, furniture, maintenance and operations and it gives them

freedom to focus on their core business instead.

The facilities available under Business Club include:

- Access to meeting and conferencing space as well as aesthetically done shared spaces for networking in a creative environment
- A flexible, convenient, and professional support system
- Fully maintained work environment that encourages productivity
- Modern and functional layout with facilities, offer an ideal The necessary separation and working space
- Positive social interaction and a sense of community among creative business owners and creative minds coming together

Boost your visibility among our community

H E Al Mahmoud Khalil Al Hashemi, Executive Director of Ajman Media City Free Zone shared that services, amenities and facilities offered under Business Club Package create an ideal environment to boost productivity and business potential. The business hub is a dynamic and modern space and an ideal ground to meet your community, peers and this also boost business opportunities for the community within the free zone. Networking and interaction with a diverse and global community of entrepreneurs and owners can lead to new relationships and connections, partnerships, business ideas and even new clients and customers.

Value added collaboration with National Media Council to help our customers is coming soon Looking ahead, HE Al Mahmoud Khalil Al Hashemi shared that a significant collaboration with National Media Council, UAE is underway.

"Under this partnership, we will offer priority service and facilitation to all our customers. The growing community of media and social media influencer community will benefit greatly with this value addition. Our aim is help them navigate the process, and give faster and easier access.
