MarketResearchNest.com adds "Global Four Wheel Drive Vehicle Market 2018 by Manufacturers, Regions, Type and Application, Forecast to 2023"

PUNE, INDIA, August 28, 2018 /EINPresswire.com/ -- MarketResearchNest.com adds "Global [Four Wheel Drive Vehicle Market](#) 2018 by Manufacturers, Regions, Type and Application, Forecast to 2023" new reports to its research database. The report spread across 131 pages with tables and figures in it.

An automotive 4WD system is typically used in off-road vehicles and involves the distribution of power and torque to all the four wheels. The system may be fitted as a full-time or an on-demand functionality. This distribution of power to all the four wheels helps in attaining better driving characteristics in low-traction conditions.

This report focuses on the Four Wheel Drive Vehicle in global market, especially in North America, Europe and Asia-Pacific, South America, Middle East and Africa. This report categorizes the market based on manufacturers, regions, type and application.

The SUVs and crossover segment dominated the automotive 4WD vehicle market and accounted for a major part of the overall market share. The rising volume sales of these vehicles in the US, Canada, China, Indonesia, Malaysia, and India are the major factor driving the growth of this segment. The increasing availability of small-size or compact SUVs has significantly influenced the global demand for the 4wd vehicles. With rising demand for crossovers in developing countries, the SUVs and crossovers segment is expected to dominate the four wheel drive vehicle market for the next few years.
