

NY Gov. Cuomo & Manhattan DA Vance Covering-Up Sexual Assault Crimes

Yesterday's BuzzFeed investigative report is only the tip of the iceberg of the Cuomo/Vance collusion and criminal cover-ups

ALBANY, NEW YORK, UNITED STATES, August 29, 2018 /EINPresswire.com/ -- BuzzFeed News in their investigative news report titled, "New York's Governor Has suspended An Investigation Into The Handling Of A 2015 Weinstein Case" dated August 28, 2018 begins to expose an incestuous criminal enterprise in which top State officials are protecting countless [sexual predators](#), pedophiles and rapists.

The most dangerous people and criminals are those that protect and shield sexual predators and rapists allowing them to continue to rape and destroy more innocent victims' lives - Governor Andrew Cuomo is the worst of the worst and extremely dangerous.

Michael Carey, the founder of the [Jonathan Carey Foundation](#) who also is a well known and respected civil rights and disability rights advocate has uncovered a pattern of criminal cover-ups in which both Cuomo and Vance are directly involved. Michael Carey has been exposing that

almost all sexual assaults and rapes of primarily women and children with disabilities within Cuomo's mental health agencies are never criminally investigated or prosecuted. The cover-ups are purposeful and ordered by Cuomo and other top State officials to conceal the shame of these sexual assault atrocities happening with his agencies from the public, but also to protect the State of New York from multi-million dollar lawsuits. This news story regarding a State employee/caregiver who is a pedophile will disgust you. Stephen DeProspero called Cuomo's system "a predators dream". DeProsero was caught by the feds in a porn sting or he would still be sexually assaulting disabled children in a State run group home today. "The lack of

supervision there made it easy to do what I did," DeProspero said in a handwritten affidavit obtained by The Associated Press. "I could have stayed in that house for years and abused him every day without anybody even noticing at all. It was a predator's dream." It is [Governor Andrew Cuomo](#) and corrupt DA's, such as Cy Vance that have protected sexual predators like DeProspero and Weinstein and God only knows how many others.

The main motive though beyond these most heinous criminal cover-ups is to guard New York State's Medicaid Ponzi Scheme. Massive amounts of federal tax dollar money that are supposed to be used to provide safe care and services for people with disabilities and individuals with mental health problems are being used for other than billed purposes. Cuomo's fraudulent Justice Center abuse hotline makes sure almost all sexual assaults and rapes of this vulnerable population disappear and are never reported to local police or ever criminally investigated. Manhattan DA Cy Vance Jr. has been part of this scheme for years ensuring that most disabled women and children rape victims within his county and jurisdiction never obtain justice.

There is an extremely high likelihood that the reason Governor Andrew Cuomo has directed New York Attorney General Barbara Underwood to cease from investigating Cy Vance Jr. is to stop Vance from squealing on Cuomo. Article 13 Section 13 of the New York State Constitution requires the county elected DA's to prosecute all crimes within their county, which include crimes against all people with disabilities. State records obtained through Freedom of Information Law (FOIL) reveal massive numbers of sexual assaults and hardly any prosecutions. Without question, very ugly and dark deals have been made behind closed doors and it usually surrounds massive amounts of money and power.

In the matters that are being brought forth in this press release, what is just beneath the surface, the massive iceberg of sexual assault and rape cover-ups must come to light. Both Governor Andrew Cuomo and Manhattan DA Cy Vance Jr. must be investigated by the US Department of Justice and held accountable to the full extent of the law. Numerous federal crimes have been committed and countless sexual predators just as bad or far worse than Harvey Weinstein have been protected from criminal prosecution to be able to continue to violate innocent women and children and destroy many lives. It is time for both Cuomo and Vance to reap what they have sown; protecting sexual predators is amongst the most egregious crimes imaginable and shocks the soul of anyone of moral character. Our society cannot succeed when we fail to protect our most vulnerable and when those in power that have sworn oaths to honor the constitution and uphold justice do the exact opposite. This wickedness and corruption that goes to the very top must be stopped now.
