“

Why in the world would AG Underwood obey such an order by Gov. Cuomo other than an attempt to protect the governor?"

Michael Carey - Civil Rights & Disability Rights Advocate

Michael Carey, the founder of [the Jonathan Carey Foundation](#) who also is a well known and respected civil rights and disability rights advocate has uncovered a pattern of criminal cover-ups in which both Cuomo and Vance are directly involved and AG Underwood is protecting. Michael Carey has been exposing that almost all sexual assaults and rapes of primarily women and children with disabilities within Cuomo's mental health agencies are never criminally investigated or prosecuted. The cover-ups are purposeful and ordered by Gov. Cuomo

and other top State officials to conceal the shame of these sexual assault atrocities happening with the governors agencies from the public, but also to protect the State of New York from multi-million dollar lawsuits.

This news story regarding a State employee/caregiver who is a pedophile will disgust you. Stephen DeProspero called Cuomo's system "a predators dream". DeProspero was caught by the feds in a porn sting or he would still be sexually assaulting disabled children in a State run group home today. "The lack of supervision there made it easy to do what I did," DeProspero said in a handwritten affidavit obtained by The Associated Press. "I could have stayed in that house for years and abused him every day without anybody even noticing at all. It was a predator's dream." It is [Governor Andrew Cuomo](#) and corrupt DA's, such as Cy Vance that have protected sexual predators like DeProspero and Weinstein and God only knows how many others. Why in

the world would AG Underwood obey such an order by Gov. Cuomo other than an attempt to protect the governor?

The main motive though beyond these most heinous criminal cover-ups of sexual assaults is to guard New York State's Medicaid Fraud Ponzi Scheme. Massive amounts of federal tax dollar money that are supposed to be used to provide safe care and services for people with disabilities and individuals with mental health problems are being used for other than billed purposes. Cuomo's fraudulent Justice Center abuse hotline makes sure almost all sexual assaults and rapes of this vulnerable population disappear and are never reported to local police and are never criminally investigated. Manhattan DA Cy Vance Jr. has been part of this scheme for years ensuring that most disabled women and children rape victims within his county and jurisdiction never obtain justice.

There is an extremely high likelihood that the reason Governor Andrew Cuomo has directed New York Attorney General Barbara Underwood to cease from investigating Cy Vance Jr. is to stop Vance from throwing Cuomo under the bus. Article 13 Section 13 of the New York State Constitution requires the county elected DA's to prosecute all crimes within their county, which include crimes against all people with disabilities. All New York State's 62 DA's cannot prosecute sexual assault and rape crimes if Cuomo's fraudulent Justice Center ensures that most of these crimes are never reported to the DA's. State records obtained through Freedom of Information Law (FOIL) reveal massive numbers of sexual assaults are reported annually and hardly any criminal prosecutions. Without question, very ugly and dark deals have been made behind closed doors and it usually surrounds massive amounts of money and power.

In the matters that are being brought forth in this press release, the massive iceberg of sexual assault and rape cover-ups beneath the surface must come to light. Governor Andrew Cuomo, Manhattan DA Cy Vance Jr. and Attorney General Underwood must be investigated by the US Department of Justice and held accountable to the full extent of the law. Numerous federal crimes have been committed and countless sexual predators just as bad or far worse than Harvey Weinstein have been protected from criminal prosecution to be able to continue to violate innocent women and children and destroy many lives. It is time for Cuomo, Vance and Underwood to reap what they have sown; protecting sexual predators is amongst the most egregious crimes imaginable and shocks the soul of anyone of moral character. Our society cannot succeed when we fail to protect our most vulnerable and when those in power that have sworn oaths to honor the constitution and uphold justice do the exact opposite. This wickedness and corruption that goes to the very top in New York State must be stopped now.
