

KDG Offering Small Business IT Support in Allentown, Bethlehem, and Easton

KDG's small business IT support team is helping businesses keep their data secure.

ALLENTOWN, PENNSYLVANIA, UNITED STATES, September 11, 2018 /EINPresswire.com/ -- KDG's [small business IT support](#) team, recently named one of the top in the country by the American Business Awards, is offering its award-winning small business IT support to businesses in Allentown, Bethlehem, and Easton.

KDG provides hardware, software, and security services. In addition to laptop and desktop upgrades, the company updates software, migrates mail clients, installs VPNs, and performs troubleshooting. Unlike other IT teams, KDG also provides remote and onsite support for Lehigh Valley clients.

“

There's a lot that can go unnoticed if you do not have a team that can regularly be on hand.”

Patrick Whalen, Head Technical Analyst

“We enjoy visiting clients in person, seeing how their technology works firsthand, and conducting audits to test the strength of their security,” says Patrick Whalen, head technical analyst at KDG. “There's a lot that can go unnoticed if you do not have a team that can regularly be on hand.”

With recent data breaches, security makes up a large

portion of the services KDG's [tech management](#) team offers. Among the company's newest service is HR Tech Support, which helps educate employees on best practices for avoiding security vulnerabilities.
