

Rudy L. Kusuma Home Selling Team Provides Huge Advantage to Buyers through a VIP Home Buyers Consumers Benefits Program

ROSEMEAD, CALIFORNIA, UNITED STATES, August 29, 2018

/EINPresswire.com/ -- Rudy L. Kusuma Home Selling Team offers home buyers with huge benefits in selling through the team's platform through their VIP Home Buyers Consumers Benefits Program. It's a benefits program that no other real estate agents offer. The team showcases the difference in their approach to real estate transactions versus that of typical real estate agents.

In today's real estate industry, many real estate agents utilize technology in reaching out to potential clients. Technology, particularly the Internet, is indeed useful in using the real estate transaction seeing as most buyers look for homes to buy online. However, it is a fact that many of today's real estate agents use the Internet by merely emailing homes to potential buyers.

This tactic does not offer much value, and so home sellers cannot get the most out of the homes they are selling. However, [Rudy L Kusuma Home Selling Team](#) is different, as they take an entirely different approach in helping home buyers find the property they are looking. When working with home buyers, the team takes time to research and locate properties.

The team looks for any readily available properties online diligently, taking the preferences of the buyers into consideration. Every day, the team contacts the buyer when one or more home sales match their home buying criteria. The team has wide-ranging criteria, including Unlisted Properties, Builder Closeouts, Foreclosures, Divorce Sales, Corporate Owned Homes, Distress Sales, and more.

Besides the daily searching, the team offers more additional benefits to their home buyer clients. It includes getting a sneak preview of the market's new listings before other buyers can see them. Rudy L Kusuma's team also provides their homebuyers with a free report on the foreclosures in their area, giving them access to available homes for sale in their neighborhood.

The latter is a perfect advantage for home buyers who don't want to move too far out from their current place. Another benefit of the team's home buyer's program includes a free special report called "How To Stop Paying Rent and Own Your Own Home." It contains essential steps in making it possible for a client to move into a home they can finally call their own.

Rudy L Kusuma Priority Access to Homes NOT Available online
